

SPONSORSHIP OPPORTUNITIES

Background

The Royal Society of Biology Careers Committee is committed to promoting the breadth of careers that are open to life science graduates. The Bioscience Careers Day will take place at Sheffield Hallam University on Saturday 4th March 2023. This is the flagship careers event for life science undergraduates in the UK. The programme includes expert speakers from across the breadth of the biosciences, networking opportunities and an exhibition. The event will launch students on their professional journey.

The Bioscience Careers Day will provide you with a unique opportunity to:

- Connect with 400 bioscience undergraduates from around the UK
- Reach undergraduates through online exposure
- Build brand recognition within the biosciences community
- Demonstrate your support for the next generation of UK scientists
